

## Are You Ready?!

Room selection for 2023-24 is right around the corner and we want to make sure you are ready with all the information you need to choose your room, and to have realistic expectations about the process.

- **April 12th at 4PM CT** is the deadline to Request and Confirm your preferred roommate within the Student Housing Portal to be able to have one roommate select for both students during room selection. Roommates who are not confirmed in the portal will have to select rooms individually during room selection, coordinating with each other based on their designated room selection access time. Student Housing is unable to tag and confirm roommates for students.
- On **April 14th at 4PM CT** you will receive an email, sent to your Ole Miss Gmail, with your specific room selection access time. This access time is when Part 2 of the housing application, which includes room selection, will be available to you. **You will not have access to room selection on Thursday, April 14th.** You will simply receive an email telling you when your access time begins.
- Room selection access times will begin on **May 1st** and will continue until all students in Round 1 and Round 2 of room selection have had a chance to select a room.

Student Housing will be hosting a Room Selection Information Session on Zoom to answer any and all of your room selection questions. During the session we will walk through the process step by step to help you know what to expect when it comes to selecting your room!

The Room Selection Information Session will be held on **April 26th at 4PM CT**. If you are interested in attending, please fill out [this form](#) to receive further communication. The Zoom link will be sent to your Ole Miss email on Monday, April 24th.

We are also excited to announce the dates for Fall 2023 Move-In. While you will continue to receive more detailed information regarding move-in and move-in appointment times throughout the next several months, please note that your specific move-in date and time will not be determined until move-appointment times become available in July.

As a reminder, you will get the most accurate information directly from our office. Information posted in parent groups and other social media outlets not officially sanctioned by the University of Mississippi can be inaccurate and may cause confusion and frustration, even while trying to be helpful.

It will be easier and more efficient to direct questions to Student Housing via email at [housing@olemiss.edu](mailto:housing@olemiss.edu) or [housingma@olemiss.edu](mailto:housingma@olemiss.edu) which will be continuously monitored Monday through Friday from 8:00am to 5:00pm CT. You can also call our Marketing Assistants at 662-915-1091 Monday through Friday from 8:00am to 5:00pm CT, but please be patient while they handle a high volume of calls in the order in which they are received.
