We hope you are as thrilled as we are to welcome you all to campus in just a few weeks! To ensure you stay informed and prepared for your move-in and campus life, we will be sending weekly emails over the next month, covering all things Student Housing!

On July 19th, at 4 PM, you will have the opportunity to view or select your move-in appointment time through the Student Housing Portal. These appointment times are based on your housing assignment. Before making your selection, please verify your booking in the Student Housing portal. You can find your booking information within your 2023-2024 Freshmen Application or on the homepage of the portal.

If you are participating in Panhellenic Recruitment, Freshman Honors, MPower, or living at The Quarters, you will also have the ability to self-select your appointment time. You can also make changes to your appointment up to 24 hours before the scheduled time.

If you are part of an approved early move-in group (excluding Panhellenic Recruitment, Freshman Honors, MPower, or The Quarters) arriving before August 14th, you will receive a pre-assigned move-in appointment time based on the date requested by your group leaders. These pre-assigned appointments cannot be changed to an earlier day and will be available for viewing in the Student Housing Portal within your 2023-24 housing application.

To ensure a smooth and efficient move-in process, Student Housing has partnered with University and Student Services (USS). USS is a nationally recognized company specializing in university move-in processes. Together, we have developed the USS Move-In Assistance Program, which will be available for select halls and days during Fall 2023 move-in. The participating halls are as follows:

- Panhellenic Recruitment move-in: Martin Hall, Crosby Hall, Minor Hall, Pittman Hall, Burns Hall, RH2, and RH3
- Freshman Honors College move-in: Pittman Hall
- August 12th Quarters move-in
- August 14th and 15th move-ins: Minor Hall, Pittman Hall, Burns Hall, RH2, and RH3

These halls were selected based on the high volume of students moving in over a shorter period of time, coupled with the absence of convenient unloading zones. USS will assist in unloading vehicles and ensure a seamless process of getting your belongings to your assigned rooms.
Lastly, if you require housing for August Intersession, please complete the August Intersession housing application in the Student Housing Portal. The application will close on Friday, July 21, 2023, at 4:00 p.m. Students enrolled in August Intersession classes will be able to move into their fall spaces, with the exception of The Quarters.

We can't wait to have you on campus, and we're here to support you every step of the way. If you have any questions or need further assistance, please don't hesitate to reach out to our office at 662-915-7328.

Hotty Toddy,

The Department of Student Housing
